

CASABUENA CULTURAL PRODUCTIONS is having

AUDITIONS

for

Seeking youth actors
aged 13 and up!

Performances will be on June 8th,
9th and 10th at Allens Lane Theater!

Written by Jonathan Dorf- (Dramedy) Teenagers are typically caught in the middle—they're not quite adults, but they're definitely no longer children. Through a series of scenes and monologues, we meet an eclectic group of teen characters who are trying to communicate with that wannabe special someone, coping with the loss of a classmate, battling controlling parents, swimming for that island of calm in the stormy sea of technology—and many others. What they all have in common is the search for their "Chuck," that elusive moment of knowing who you are.

Auditions: Sunday March 18th 4:30pm-6pm

Monday March 19th from 7pm-8:30pm

at Allens Lane Art Center (601 W Allens Lane, Philadelphia PA 19119)
